Get involved with Shatterproof and help end the devastation of addiction in America. As part of our community, you'll be supporting our efforts in changing laws, providing trusted resources for families, and ending the stigma of addiction.

Here are some of the amazing activities Shatterproof offers—join us today.

The Shatterproof Challenge Rappel

This exciting, action packed event is a bucket-list opportunity and a great teambuilding or volunteer activity.

Your employees will take the ride of their lives as they step off the top of a building and rappel down—all while helping us change the conversation about addiction and increasing funding for prevention, treatment, and recovery initiatives. No experience necessary for this thrilling adventure.

Rise Up Against Addiction 5K Run/Walk

Whether you walk or run, you're moving us one step closer to reducing the secrecy and removing the shame around addiction. You're also supporting those who have lost a love one to addiction and celebrating those who are living in recovery today. Run, walk, or volunteer with us in Atlanta, Boston, Kansas City, New York, or Washington, DC, at a Shatterproof Rise Up Against Addiction 5K—or contact Shatterproof to organize a 5K event in your city.
